* Just figure out any CS class that you can take that you have the pre-reqs for

(O): O for OPTIONAL

CS409 (The Art of Web Programming), CS410 (Text Information Systems), CS411 (Database Systems), CS412 (Introduction to Data Mining), CS416 (Data Visualization) dont have annoying prereq.

neat classes I can convince Merissa to turn into major reqs:

CSE 450 - Computational Mechanics

CSE 401 Numerical Analysis

PHYS 466 - Atom Scale Simulations

ME 487 MEMS and NEMS fabrication

CSE 427 - Interactive Computer Graphics

CSE 448 - Advanced Data Analysis

ME 445 - Introduction to Robotics

ME 447 - Comp Design and Dyn of Soft Syst

ECE 489 - Robot Dynamics and Control
